

**REMARKS**

With the above amendments, the specification has been amended to incorporate the PCT priority application by reference. The claims have been amended to delete multiple dependency and place them in better form for examination. The language required by 37 C.F.R. §1.84 has been added as required for the acceptance of color drawings.

Accordingly, it is believed that the application is in good condition for examination. Questions are welcomed by the below-signed attorney for applicant.

Respectfully submitted,

*GRIFFIN & SZIPL, P.C.*
